APARTMENT IN HISTORIC PALACE IN VERONA

Within a prestigious and historical palace in the centre of Verona, we propose a particular real estate solution of charm and charisma.

The flat, located on the piano nobile, consists of a living room with double entrance, the main one from the staircase and the secondary one leading to the convenient lift, enjoys high wooden ceilings and a scenographic fireplace.

A versatile hallway leads us to the kitchen area and to the sleeping area of the master bedroom with en-suite bathroom and single bedroom and further bathroom.

The property is completed by a cellar and a double garage where a laundry area has been created.

The flat, which is quiet and private, has recently been modernised and its heating and cooling systems upgraded.
