

Villa for Sale to Monzambano

1.800 sq. m. | Bathrooms: 7 | Bedrooms: 6 | Rooms: 16

"Casa Manerba" is a unique manor house not far from the Garda Lake, the largest lake in Italy. It was built in the mid-17th century over a winery that is still present, as demonstrated by the vineyards included in the 3 hectares of the property. Recently renovated by the architect Tiziano Lera, "Casa Manerba" is an oasis of calm where even the smallest details are a matter of satisfaction for the guest. The main structure of 1.800 sqm, the fine furniture, the frescoes found in all the rooms, the comfortable and large outbuilding for guests (200 sqm), the pool with its elegant design and poolhouse, lush park with rare plants and secular olive grove form a single set of high refinement. It has been even rewarded for its elegance and appeared on the famous magazine AD Architectural Digest, the international design authority. The property includes also an independent apartment of 60 sqm, ideal for the housekeeper. There is also the right to build another house and a garage.
