The beautiful original period door opens onto an elegant living room with wooden floors that are a link between every room in the apartment, including the bathrooms.

The spacious and luxurious master bedroom has a large walk-in wardrobe and a private bathroom; the latter, a masterpiece of design, includes both a modern and spacious shower and a bathtub which is very sophisticated in its design.

Two other bedrooms, a second bathroom and a convenient laundry room complete the property.

The sophisticated renovation and careful choice of materials, along with the elegant layout, contribute to classifying this property in the luxury category.
